“ After reviewing some of Matthew's personal photos I found these. Hard work, at home and Hummus, his companion until the end, a red healer mix.

“ *Matt was a good friend, I owe much of my life to. If it wasn't for him,
Maryann and Terry I wouldn't have what I have today. Married with
two beautiful kids. I miss the simple days swimming in the pool in
his back yard Jamming Pantera, and wrestling. We grew apart in
our adult years but he was always in my mind. I know it hurt him so
much when he couldn't work anymore and got into making hooch in
his garage. Matt will be missed terribly and will always have a spot
in my heart and life. Rest in Peace my friend.*

“ I wish I had a chance to get to know you Matthew. With a mom like yours I bet you had a wicked sense of humor and were dependable and loyal and a great deal of fun. Have a good rest, we will see you when you wake up. I will be praying for your family until then.

“ Matthew, you will be missed dearly. If we needed any IT support you were our guy. I'm sure right now you're in heaven helping someone with a computer problem. May you rest in peace. Love, Jane Swindle and your dad Bob Poland.
