“ Aunt Mattie and Uncle Jeff opened their home to our family when we moved to Tulsa in 1969. The entire Mosier family made sure we felt welcome. I have so many great memories of that time: fishing trips at the strip pit, playing the marble game sitting in the attic, eating quail for the first (and only) time. Most of all I knew she loved me. What I can not figure out is how in the world she remembered EVERYONE'S birthday. Mom has had a stroke and can not say what she wants all the time. But she told me, "Bless her heart, she's with her mom and dad now" To the entire Mosier family, our hearts go out to you, and we give thanks that Mattie has left her clay shell and rejoined her loved ones in Heaven.
