“ Lots of memories in the past almost 30 years. Days at the river. Broken Bow. Kids coming and going. Work and life and BBQs. always a How ya doing? Taking everything in stride while the buzz went on around and around. Could always count on him to help out. Never heard Mike say to much about others cause he lived and let live.  
You will be missed sir. It was a pleasure knowing you Mike Jones.  
You was one of the good guys.
