“ So hard to believe that you are gone! I have so many memories growing up with you as a father figure. We loved going hiking and I remember visiting Crack in the Rock Trail in Arkansas several times. I remember you teaching me to drive in Van Buren cemetery in a truck you called “The Big Brown Turd!” You hated that truck! I loved your sense of humor. You always had great taste in music. I will always remember you... especially when I hear your favorite song-Landslide by Fleetwood Mac. I love you & miss you! I will never forget you! Love, Erin
