“*Monty Lee Jackson of Tulsa, OK, peacefully departed this world on January 12, 2022 at the age of 76. Monty was a beloved son, brother, uncle, cousin and friend. His warmth and goodness will be desperately missed by those closest to him. He was a member of the Unity Church of Tulsa and loved his fellow parishioners. Monty was also a veteran who served his country in the Vietnam war before an honorable discharge in the late 70's. After his time in the service, Monty moved around for different jobs before landing in Key West, Florida for many years where he was the Controller for the 801 Bar. He enjoyed living in Key West by the ocean and spending time with his friends. He later moved back to Tulsa around 2009 where he remained until his passing. He was a beautiful human with a kind, loving heart who will be forever missed by his family and friends. Private arrangements have been made for Monty. No public services were held.*
