“ I will forever treasure our friendship. You always had a way of helping me see life through different lenses. My life will be a little dimmer without you in it and the wonderful talks we had. Until we meet again my precious friend. I Love You.

“ Nancy was my niece. When she was born I helped deliver her at St. Anthony Hospital. I was a student nurse at the time. She was beautiful. When Patrick was born she and James called me and said that his Name is Patrick after me. I cried. She is with our family now and at Peace . I love you beyond words. Aunt Pat
