“ Nancy was the sweetest, kindest person I've ever known. She left us way too soon. I so appreciate all the years I was privileged to have known her and share my life with her. I don't think she realized how much she was loved by those around her. We miss her so much. Her spirit will live on with me as an inspiration to do good things with my remaining years on this Earth. Rest in peace, sweet Nancy... Michael Wasserman
