

Neysa Michell Minnick

September 19, 1970 - August 6, 2021

Neysa Michell Minnick, born September 19, 1970 was found Friday August 6, 2021. She passed away suddenly from existing cardiac issues that she'd kept secret from her loved ones. She left behind two daughters, Kish McCall 17 and Chestiena Sell 32 and her granddaughter Ayanna-Rose Burriss 14 mos. She also had many amazing friends and family members who loved her and will miss her dearly.

Anyone who knew Neysa would tell you that she was a wild and spontaneous person, and refused to be anything other than life of the party. She had a bunny named Georgie for 4 years, and she would take Georgie with her everywhere she went. Everyone called her the "Bunny Lady". She had a heart of gold, and an undying love for her children. She had very little but would give her last to see her loved ones happy. Such a powerful presence and a unique soul, thank you for giving us the opportunity to know you! And for those of us who knew her, "God Bless America" you will be "fricken frackin" remembered, missed, and most of all, loved.

“ *I was devastated to find out about Neysa's passing. She was my boyfriend Freddie's roommate and we remained friends even after Freddie's passing. She was crazy goofy and so much fun and very sweet. She took Freddie's death harder than anyone I know. She really loved hard. She talked about her daughters a lot and loved them very much. I still can't believe she's gone.*

“ *Neysa and I were neighbors and became great friends during the time. She was an amazing person, and I was we got to know each other she became a really big part of my life. She would help me and I would help her. That's all she ever was, a big help. I will miss her and always think of her when I hear a Queen song*
