

## Nina Wright

February 4, 1954 - June 25, 2021

Nina Lee ( Leutsch) Wright, 67, passed from this world June 25th 2021, peacefully with her family by her side.

She was born February 4th 1954 to Adolph Edwin and Mary Ruth Leutsch. Her father retired after many years employment from the Tulsa Tribune, he also served in the Pacific during World War II. Her mother was a Home Maker who also served this country by working various supporting roles during the war years while raising her family.

Nina spent several happy summers in Northern California at her cousins house, getting lost among the trees. She graduated from Will Rogers High School in 1972. She worked a job painting porcelain praying hands for Oral Roberts Ministries where she met the man she would later marry and have five children, Sara Marie Hill, Nicholas Allen Wright, Kyle Russell Wright, Abigail Ann Wilson, and Joseph Edward Wright. She had eight grandchildren, Gabriel Peck, Jaden Lee, Grace Anne, Ethan Lee, Jack Allen, Isabella Brooklyn Lee, Alice Autumn, and Ellie Marie, all of whom she was blessed enough to hold and know.

Our mother loved her family, her friends, painting, reading, music, camping, canoeing, thrift stores, Hobby Lobby, day dreaming, and for some reason, January 1st of EVERY year. They were always " going to be our year". She was loved beyond measure and will be infinitely missed.

“ *Nina was a dear friend to work with and always kept me laughing. The love for her children was enormous as was her pride in them. I will always remember the day that Fred Hill showed up in his semi truck to take Nina home from work! Funny, funny lady with a kind and loving heart. My love to her family, I know this is an enormous loss for you all.*

*Sincerely,*

*Mary O.*

“ I loved her dry wit and ironic sense of humor. I remember playing tennis with our kids on hot summer days, laughing at the absurdity of life. She loved her family and friends and will always have a special place in my heart. Rest In Peace, Nina, you are loved.

“ I have so many loving memories of Nina, she was the kindest most caring person I know. She was a loyal partner on our floor showing compassion to all she came in contact with, she would have us laughing on the stressful days always there for all of us. we loved her I'm so glad to have had her in my life.
