“ I was sorry to hear of her passing. We used to be friends but lost touch after she moved. She and I joked that we were "twins" as we were born on the same day and year. I loved her sense of humor and her spunkiness.

Brenda, I appreciate your contribution. I have been struggling with her loss for awhile. thank you for your response. She knew few strangers. I took her to midtown hardware and found her holding court with every man over 50 hanging on her every word. She was the og queen bee.
