“ I remember when we were kids. We were at Grandmas house and the song “Dizzy” came on the radio. Donna, Tricia and my sister Lou knew all the words and was singing and dancing around in the bedroom. I thought they were adults, turns out they were only 3-5 years older, back then it seemed a lot. I kept watching them thinking, I want to grow up to be just like them. I love you Cousin! I can see you in Heaven dancing and singing with Donna! Sending my love & prayers of comfort to the whole family! Thank You Hope, Kenny & Penny I love my family! ❤️❤️❤️
