“ *My heart is broken, my Sister Patty whom I just met at thanksgiving, has passed away, she also just met our sister Judy this past summer at my moms house in Mississippi, we had so much to learn from her, & it was cut so very short, May you Rest In Peace!!!*

“ My condolences to Patty’s family at this difficult time. Patty & I met in Idaho, both moving here from California & being Raider football fans quickly United us. Our friendship grew and we spent a lot of time together going to concerts, hanging out & helping each other out whenever the other one was in need. Patty had a beautiful soul and I’m sad to hear she’s no longer with us on this planet. I will miss her & beautiful smile always💜Lisa

“ When Patty and I were kids we snuck into Cunningham pool while it was still under construction. We went swimming and both of us almost drowned. A moment that not many know happened. As the older brother it was my fault. We had many adventures that bonded us together. So many stories. I will deeply miss her for the rest of my life.
