“ I had the pleasure of working with Dr. Grice at Muskogee Regional Medical Center back in the 1990's in my position as Utilization Review Coordinator. Dr. Grice was our physician reviewer and was so supportive and knowledgeable of the utilization review process and the financial impact upon our facility while maintaining a fair and impartial atmosphere with the medical staff. My sympathy to his family on his passing. I was proud to know him! Sharon (Howell) Syfrett
