“ *You will always be my soulmate. Thank you for caring me through all your operations. You always called me and sent me pictures. I'll never forget our last conversation regarding the third tumor and how it paralyzed your body. You told me you can't live this way. That was the last time we talked and you said I love you. I'll be with you soon my love*

Karie Carpenter - February 18, 2018 at 01:33 AM
