

Phillip Howard Long

October 7, 1966 - September 20, 2020

Phillip Howard Long Passed away in Tulsa Oklahoma on Sunday, September 20, 2020 at the age of 53.

Phillip was born on October 7 1966, to Patsy Jo Scott and Preston Long. He was raised in Wetumka Oklahoma but relocated to Tulsa Oklahoma with his spouse and mother of his kids Tonya Renee Factor. Although Phillip lost the love of his life in 1995, he did not let that stop him from loving. He later married Kimberly Ann Hall whom he loved until the day of his death.

Phillip is preceded in death by his mother, Patsy Jo Scott, love of his life Tonya Renee Factor, brother Ricky Lee Long, son in law Michael Lee Joseph Ross and grandson Cameron Andrew long.

He is survived by his three kids and Best Friends, James Paul Long, Derek Howard Long and Amber Renee Long. Two daughter in laws Samantha (Sambo) and Amanda (Big Bird). He also had twelve grandkids that he loved dearly. Caleb Nathaniel, Tonya Cheyanne, Cameron Andrew (whom is also deceased) Isaiah Anthony, Jakota Wayne, Kyleigh Renee, Juniper Pearl, Aiyana Lee, Derek Howard Jr, Titus, and Jordan.

Phillip was a hardworking man with a contagious personality and a great sense of humor. He worked from sun up till sun down and kept himself busy by painting mowing grass and any and all yard work he could find. He dreamed of owning his own lawn service one day and he took pride in his work. He was kind to everyone he encountered and would do anything for anybody. He was not a materialistic man. He simply worked to survive and

provide for himself and all that he needed.

At the time of his death he was employed at the neighborhood store. He was known as Pops. Though this was not his dream job he enjoyed his work and people he worked with. He was well known and respected by all. He was a very simple kind of man with an endless amount of wisdom. He never took things too seriously and had a way of believing that all things would come to pass as he was a great believer in Jesus Christ and the power of prayer.

There's not a moment that Phillip lived that he did not make light of a situation or leave his mark on you. He laughed danced and sang while imitating his favorite artist and Icon Mick Jagger. Despite the many struggles and hardships he faced he knew and believed that time was on his side. While there was so much more that could be said about Phillip, we can simply say that he has indeed left us all with nothing but great memories and gut aching laughs. The many stories people will share with each other about him can and will be told for years to come. He will be greatly missed and awaited to see as we all know his spirit lives on.

We Love you Daddy we'll see you again give family our love and watch over us. "Get Em Cook" you've earned your wings.
