“ Mrs. Brune was such a wonderful lady! I have so many fond memories of her. She was always so loving and kind to me. I remember one time when I was spending the night I was cold and she wound up putting multiple blankets on me because I couldn't warm up. She would make us graham crackers and a chocolate paste from Nesquick for a snack along with a tiny bit of Kahlúa in milk. Mary and I loved going over to play with Andrea and Mrs Brune was like a mother to us. Even though I married and moved away and haven't seen her in many years, she will be sadly missed..
