“ Dear family of Richard Brent Harris,  
It is not absolutely clear to me if I am sending this note to the right party. This name and the age are correct. If This Richard is the Richard I knew in 1966 at Estancia High School in Costa Mesa. Then, I'm comfortable with sharing a personal letter directed to me. I was the art teacher at that school in that year; Richard was my student. He was extra-ordinarily talented; I actually have a photo of him working at an easle. Call me if this communication is accurate information and I will send the letter and photo. Sincerely,  
Dr. Barbara Irvine, (art teacher 707 849 0488)
