

## Richard Dale Holloway

October 23, 1959 - January 31, 2025

Richard Dale Holloway, born October 23, 1959 in Tulsa, Oklahoma. passed away on January 31, 2025 surrounded by his loved ones. He was 65 years old.

Richard was a devoted husband, father, grandfather, and friend. He shared 30 wonderful years of marriage with his wife, Theresa Holloway. Together, they built a life filled with love, laughter, and adventure. Richard was the proud father of six sons: Clifford, Bo , Richard (Jr.) and wife Stephanie, Shane and wife Kasey, James and wife Angela , and Dustyn and wife Brenda and adopted daughter April. His legacy lives on through his 30 grandchildren and 17 great-grandchildren, whom he cherished deeply. Watching them grow and prosper was his greatest joy.

From 1982 to 2002, Richard worked as a route salesman for Budweiser, where he made many lifelong friends. In 2002, he and Theresa took to the open road, running their own trucking business together until 2018. Whether behind the wheel of a big rig or sitting around the table with family, Richard had a story to tell and a joke to share.

He found peace in the outdoors, spending time hunting, fishing, and shooting, driving his old muscle car, and boating on the lake. He also enjoyed antique shopping and going to gun shows with Theresa, always on the hunt for a good find. With a beer in hand, he could spin a tale that would have everyone laughing, and he never missed an opportunity to watch an old western or listen to Johnny Horton or The Beach Boys.

Richard was preceded in death by his parents, Mary and Clifford Holloway, his sister Margaret, his son Bo Holloway, and his best friend Arthur Tackett. While his absence leaves a deep void, his memory will forever be carried in the hearts of those who knew and loved him.

His family and friends will gather to honor his life and share the stories he loved to tell. Richard lived fully, loved deeply, and left behind a family that will continue to make him proud.

“ *Papa, a person many of us have looked up to for years. You will be greatly missed and always loved. Even though we don't share blood you've always made sure we knew we were family. You once told me that blood doesn't make you family, and I stand by this to this day. I am rather sad that you are gone, but I am happy that you are no longer in pain... Until I see you again.... Give heaven some hell.* ”
