“ Richard was my supervisor at work , For awhile I was going through relationship problems with my ex that was leading toward divorce. I had alot going on in my life at the time. Richard helped me get through it. We talked about God and Jesus and he helped me in others ways besides just talking about God. He actually put his faith in action. I'm grateful Richard was there ast that time in my life. He was a good Christian man.... rest in peace Richard.... Your friend Brandon Curcio- Dominguez.

“ My wife and I were very sad to hear of Richard's passing. He was a valued friend and neighbor. Our hearts and prayers go out to his family during this difficult time. Richard was a Christian brother and I take solace in knowing I will see him again in glory. Richard always reminded me to cast all my cares and worries upon the Lord since Jesus already paid the price on Calvary. Thanks for all the memories and talks we had about football, the military, politics, and religion.
