“ I have known the Millspaugh family for many years. They attended Bethel Baptist Church when they lived in Oklahoma City many years ago. Richard (Rick) was a year older than me and we were good friends. Rick as far back as I knew him was working in the restaurant business, he worked at Across the Street and Denny's while in high school. As teenagers we ran around together with all our church friends. Not long after high school Rick had moved away and we kind of lost touch, didn't have the emails, texting, Facebook, etc... like now so we kind of lost track of each other. I had heard Rick had moved to the Tulsa area and I figured he was probably still involved in the restaurant business. This past year we got in touch again and texted back and forth, and Rick told me he had been battling his health issues for a while. I never had the opportunity to meet his wife Janis, but Rick told me she was very special. Rick loved OU Football, like me, and he asked how I thought they would do this season. I know it was great for me to know Rick and I am sure there are many other people who feel the same way. I was glad to hear that Rick was still involved in church work, and I know some day we will meet again. I pray that God will provide peace and comfort to all his family. David Lindquist

“ Rick was our Sunday School teacher for years. He was our friend. He loved the Lord and it showed in his life. He and Janis showed their love for each other. Rick will be missed but we will see him again.
