

Rita Beth Brown

July 11, 1960 - September 17, 2024

Rita Beth Brown, age 64, of Tulsa, Oklahoma, entered into eternal rest on September 17, 2024 after an ongoing battle with multiple myeloma.

Rita was born July 11, 1960 to Ralph and Wanda Brown.

Rita was employed by the Williams Companies. She retired early due to complications of her illness.

Rita was the epitome of a dog mom! She loved her dogs Mia and Mahzi fiercely. They were spoiled with their own room and beds (people beds!) and had control over their domain.

Rita loved her “kids” but her “grandkids” were the light of her life. ReRe often sent cards and gifts for every birthday, holiday, and special occasion. Over the years, she made them costumes, trick or treat bags, clothing, and Easter bags.

Rita’s hobbies included photography, jewelry making, beading, sewing, quilting, creating “Rita bags”, turning pens on a lathe, and woodworking. Those of us fortunate enough to have her creations are truly blessed.

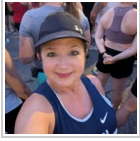

Rita was preceded in death by her parents, Rodney Brown (brother), and pets

Mia and Mahzi.

Rita is survived by her “kids”: Adria Berry, Brad Berry, Vanessa Ground & Matt Olson, and J.W. & Christen Ground. She is survived by her “grandkids”: Adele Berry, Zoey Berry, Jolene Ground, and J.P. Ground. She is also survived by her brother, Ronald Brown.

As Rita wished, there will be no public memorial service. In lieu of flowers, memorials may be sent to Pet Adoption League, 10117 E. 71st St, Tulsa, OK 74133 or to your favorite animal shelter.

“ I remember one family gathering for Christmas that we did she dressed up so cute like an elf. She was always lots of fun and now is at peace. Love cousin Darlene

“ Rita was my older cousin. One of my favorite memories of her was her driving. So we would ride in her car when we went places. She would always be in a hurry. I remember taking corners on 2 wheels, or it felt like it haha, enjoying every minute of it! She was one of a kind and we will miss her greatly!

“ Rita was a dear friend to me for 35 years. We met in the natural gas industry and immediately bonded once we realized our passion for sewing. She was a sister to me and I was blessed to have her in my life. Rest easy precious friend. I'll miss you.
