Rita's love for life were her 3 daughters and her grandchildren. Rita loved

many things in this life including listening to classic rock, dancing, beading, making jewelry, doing DIY projects, and sharing a piece of chocolate with her loyal dogs Sassie and Lil' Mama. Rita was a spitfire who was always straightforward. Anyone who knew Rita knew her for her unconditional love. Nothing in this world meant more to her than being surrounded by family, which is just how she left this world.
