

## Robert Ray Norton

January 15, 1958 - July 25, 2025

Robert “Bob” Norton, 67, of Sand Springs, Oklahoma, passed away peacefully on Friday, July 25, 2025.

Bob is survived by his wife and companion of many years, Mary Ann Norton. He was preceded in death by his first spouse, Lezlie Norton.

He is also survived by his daughters, Elizabeth (Forrest) Kelly and Laura (Mike) Seltmann, whom he shared with Lezlie. Bob was a proud grandfather to Kaden and Kooper Kelly.

Throughout his life, Bob worked hard to provide for his family, building a career in various manufacturing fields ranging from paper products to chemicals and acids.

Bob always enjoyed all kinds of racing—whether riding dirt bikes as a hobby in his younger years, racing his Grand National, or attending local drag races later in life. He was also an avid Oklahoma Sooners fan, rarely seen without his crimson t-shirt or OU ballcap. Football and softball season were especially dear to him.

Bob will be remembered for his loyalty, sense of humor, and deep love for his family.

A celebration of Bob's life will be held at a later date. Friends and family will be notified when details are available.

“ I worked with Bob on K -Team @ Kimberly Clark, he was a good Man! We talked a lot about OU Football, and Softball a lot, as we are both big OU fans and loved OUr Sooners. We worked on the same line for several years, I'm gonna miss chatting on FB with him. So Sorry for his Family's loss, I know he was so proud of his Grandkids.

“ Bobby, as we called him, was like a son to us and we will miss him terribly. He was quiet with a wonderful sense of humor. His circle of friends may have been small but his love for them was deep and his loyalty ran deeper. Our love and prayers go out to his family!

*Sorry sorry to hear about Bob. I worked with him at KC. We worked together for several years before I retired. He was a man of great patients and good work ethic. His face would light up when sports were brought up( me not a sports fan, and I would usually walk away when conversation would stay on sports) he always loved talking about his grandkids and how they were up and coming sports stars. Praying for the family.*
