“ To Linda and Teehee,, the proud parents of Robbie for when he came into this old sinful world on that September day the joy of knowing that this baby was giving to you both to love,, to nutiure,,and to teach him the ways oh the lord,,,,, and the both of you passed that test ,, then the day came that he would have to turn loose of the both of you and walk thee path alone,, I can not imagine the pain, or the hurt, the both of you are in right now. I am so sorry the your loss.... But we all know that he made his preparations to meet god and we know that he is in the presents of an almighty god,, right now we love you both and you are in all of our prayers.,,, Tammy Caudill Tulsa, Okla.

“ Praying for you Linda & Teehee -- I know Robert will be greatly missed. I always had a soft spot for him in my heart. Don't know what it was, we just connected. I'm just a phone call away if you need to talk. Take care of yourselves, lean on each other & know that we have a Mighty God that has it all under control & one day we will meet Robbie again.
