“ *I feel so blessed to be part of your family. You accepted me into your family and loved me like I was your blood. I remember when my own mother passed I was so lost and you told me that I need not be sad cuz I still had a mom and that comforted me so much. I loved the times we sat and drank coffee together and just talked about life. I gained more than a loving husband I also gained a loving mother and Sister and you have never judged us. You are truly the greatest definition of what a REAL Christian is supposed to be. Your up there with my mama and my Aunt Rhonda now watching over me. I will always love you and keep your love in my heart and I will continue to love and care for your son and be there for Kathleen and the family. You are at peace with your loved ones now.. Until we meet again I love you mama McHam your daughter Stacey McHam*

Stacey, you are a blessing to this family. Mama loved you so much. We all do. She told me the day you and Dean got married that she got another Daughter. And you truly are. You have always been there for us. I thank God everyday for you being my Sister. I appreciate you. Mama knows you will look after me and Dean. I told her you would before she died and I believe that's why she was able to go onto Heaven. I love you so much, Sis.

“*Mama. I'm going to miss you so much. You were the best Mama. I know Daddy and Delinda and so many loved ones were happy to see you. I am so thankful I got to spend the last days of your life here on earth. Singing to you everyday was a honor. I just wanted to have more time with you. I will always be your Mama's girl. I love you my sweet Mama.*”
