Romy was a faithful friend. We were acquainted at a Chilocco reunion in 2008. We roomed together and we got to knowv each other, so I already had a friend when I moved to Tulsa . We attended church together, shared many lunches and dinners. She loved her family and always loved to visit them, and never failed to include me in those visits to Stilwell/Tahlequah. Gone too soon. I love and miss you my friend. Donadagohvi.
