“ I really appreciated working with Rosa. She always brightened a room and went above and beyond for others. I always enjoyed our conversations at the office and getting to spend time with her. She was caring and honest. I will really miss her and am thinking of her family.

“ Rosa was an amazing, intelligent, and kindhearted woman! I loved our chats we had about family and life when I worked late at the office. Rosa always had a smile on her face and kind words for others. She loved and was so proud of each of her family members. I will truly miss her.
