“ I couldn't have asked for a better mother in law. You always knew what to say and made me smile when I didn't know if I could smile another day. You took great care of us all and I don't know what I'm gonna do with out you. You were more then a MIL to me, when my mom passed you stepped up and took on that roll and I thank you very much for that. I am extremely grateful to have known you and I will miss you like crazy!

*See you on the other side,
