“ TO THE FAMILY OF RUBY EATON:

*Matthew 5:4 - Blessed are they that mourn;
for they shall be comforted.*

I was saddened to hear of Ms Ruby's passing. We had a lot of laughter and good conversations during water aerobics at the Hutcherson YMCA. She also was a member of the Senior Program across the street and would leave the pool a little early to participate in the lunch program. She will definitely be missed.

May the fond memories you hold dear bring a smile to your face and lighten your heart in the days, weeks, months and years ahead.

You're in my thoughts and prayers.

*Love,

“ *Ms. Ruby was a precious lady with a gorgeous smile who was equally stylish. I met her at Water Aerobics and I was always amazed at her darling bathing suits, fancy caps and her beautiful red lipstick. She did not stay the full hour, but she would graciously leave just as she entered--just like a queen. She would smile as she entered and exited. I certainly appreciated Ms. Ruby had rhythm. When the music played while we were in the water, Ms. Ruby would dance and close her eyes and twirl her pointing finger in the air. I would often tell her daughter Gay ago look at your Mama, and she would say "That's my Mama." Certainly, I will miss the precious Ms. Ruby, but I cherish her memory. Farewell Ms. Ruby.*
