I have no words to share my grief over the loss of my brother. But I will cherish all the memories I hold in my heart. Growing up on our farm on Route 4. Having our kids playing together in the country. Then after he moved to Texas, attending concerts with him. Willie Nelson, Bob Seger, ZzTop, Jimmy Buffett, Allmon Brothers, Eric Clapton Crossroads Concert. Plus fishing at his place at Red Oak and then in Palestine. After him buying our house in Coffeyville after we moved to Kansas City. His fun and memorable visits to KC. Love you my brother! 💜
