“ Sarah was an amazing woman! I loved her dearly. I will miss her smile and her hearty laughter! I will also miss those phone calls telling me to come by for dinner when she was fixing scalloped potatoes and corn bread for dinner.
Sarah made working at OESC a joy and many claimants still remember her and all that she did for them.
She fought a long hard battle and though she will be sorely missed, she is now pain free. Sarah
rest and smile down upon those of us left behind to grieve. I only hope you realize how much you were loved by so many.
