“ I met her through another friend. She was always upbeat and full of life. My condolences to her loved ones and friends!

“ I remember Sharna had asked me to come over the night of the Bruno Mars concert to share a drink with her. She volunteered to take me and pick me up at the concert so I didn't have to deal with the traffic.

We shared an interest in the artist Mary Engelbreit. The only person I met that even knew who she was.

R.I.P. Sharna. May the Lord bless the family during this time and may they find comfort in His word.
