

Stephanie Jayne Ingersoll

March 31, 1967 - June 20, 2025

Stephanie Jayne Ingersoll was born on March 31, 1967, and passed away on June 20, 2025. She was the oldest of four and a true mama bear to many. Most importantly, she and her ex-wife, Liz Ingersoll, raised three incredible children: Cylie, Robin, and Emberlee.

Stephanie was a fierce and passionate advocate for marginalized and vulnerable communities. She championed women's rights and stood boldly in support of those with mental disabilities. Her deepest commitments were to marriage equality and trans rights, but her advocacy didn't stop there—she tirelessly fought for better healthcare, access to education, and true equity for all.

She loved deeply, lived boldly, and protected fiercely. Her impact on her family, friends, and the community she served will be felt for generations to come. She will be missed beyond measure.
