“ I'm so sorry for the loss of this awesome person that Stephen was, I will miss him so much. My prayers are with you and your family. When I was having a bad day, he always made me laugh and put a smile on my face. He would do anything for anyone that was in need, or help with something that you had on your mind. He would also make me cry, telling me about his life stories. I had not talked to him in a while but, I love him and miss my friend. But I won't forget about the good old days. But he is my angel looking over me. Rest in Peace my friend, Stephen
Best wishes my friend. We will meet again someday.
