Took for ice cream! I love always spend time with her I would cry because I didn't wanna leave her house . She helped me with my homework! I could always talk to her she would listen! We were very close. I miss her so much. We always sneak candy and stuff into the movies. She was so funny! It's not the same anymore I miss her so much. I know she isn't suffering or in pain. Wish I was there holding her hand telling her I love her on her finale days with us .
