

## Susan Catherine Crosson

August 9, 1941 - December 4, 2018

With a heavy heart we leave the following note.

On Tuesday, December 4th, 2018, Wife, mother, and friend left us to be with her daughter. They are together again, playing a game of cards. We know they are filling the time, just chatting about nothing of note. Trading cards, smiles, random thoughts. Sometimes making faces with sly jabs of dishonest plays.

Susan and John met on a dare and never looked back. They married on July 27, 1962 at Zion Lutheran Church, Seattle Washington. For the next 56 years she lived a life of love and family. Together they gave all they had. They taught us love and faith, family and hope.

We miss her views on the silliness of life.

We miss her spirited discussions.

We miss her laughter.

We miss her love.

We will miss many more things about her in the days to follow.

Susan was born in Seattle Washington, August 9th, 1941 to Dorothy and Al Beideck.

She is remembered by her Husband and best friend, her son and his family, her mother, her sister, and a best friend.

“ *My cousin Susan, who not only took me in, but taught me how to be a mom. I miss you so much.* ”

*Thanks for the note. Both Mom and Dad were/are proud of you. I think all in all, they touched far more people than they'll ever know.*
