“ To Tommy and all of Synthea’s children: (My dear Tommy, I am heartbroken to hear of my dear friend’s demise. I can’t seem to dial your number, but I got it from Johnny, and I will. I just don’t want to believe she’s gone from our lives.)

To all of you: Your father and I were dear friends for most of our lives, since I was six years old, very close. We share a lot of good memories, shared good times and bad, and Raymond was always there for me, no matter what. When he transitioned, it was difficult, but I so appreciated her courage, bravery, and honesty. I lost track of her a couple of years ago; I’ll always regret that. I loved her, with all my heart, and I always will. You have my sincere condolences. Rest In Peace, dear Synthea...

“ Many years and a lot of time has passed since we met, decided to have a relationship, were married, and had kids. We tried very hard to make it work but encountered circumstances that were beyond our ability to overcome or control-such is life...

I've long since made peace with you and prayed that you've made peace with yourself for your soul's sake. Go with God... O
