A Letter From Heaven

A Letter From Heaven - Ruth Ann Mahaffey

*To my dearest family, some things I'd like to say.
But first of all, to let you know, that I arrived okay.
I'm writing this from heaven.
Here I dwell with God above.
Here, there's no more tears of sadness;
Here is just eternal love.*

*Please do not be unhappy just because I'm out of sight.
Remember that I am with you every morning, noon and night.
That day I had to leave you when my life on earth was through.
God picked me up and hugged me and He said, I welcome you.
It's good to have you back again, you were missed while you were gone.
As for your dearest family, They'll be here later on.*

*I need you here so badly, you are part of my plan.
There is so much that we can do, to help our mortal man.
God gave me a list of things, that he wished for me to do.
And foremost on the list, was to watch and care for you.
And when you lie in bed at night the days chores put to flight.
God and I are closest to you....in the middle of the night.*

*When you think of my life on earth, and all those loving years.
Because you are only human, they are bound to bring you tears.
But do not be afraid to cry; it does relieve the pain.
Remember there would be no flowers, unless there was some rain.
I wish that I could tell you all that God has planned.
If I were to tell you, you wouldn't understand.*

*But one thing is for certain, though my life on earth is over.
I'm closer to you now, than I ever was before.
There are rocky roads ahead of you and many hills to climb;
But together we can do it by taking one day at a time.
It was always my philosophy and I'd like it for you too;
That as you give unto the world, the world will give to you.*

*If you can help somebody who is in sorrow and pain;
Then you can say to God at night....My day was not in vain.
And now I am contented... that my life was worthwhile.
Knowing as I passed along the way I made somebody smile.
So if you meet somebody who is sad and feeling low;
Just lend a hand to pick them up, as on your way you go.*

*When you're walking down the street and you've got me on your
mind;
I'm walking in your footsteps only half a step behind.
And when its time for you to go...from that body to be free.
Remember you're not going...you're coming here to me.*

“ I will miss her for the rest of my earthly life, but will always remember her kindnesses to others, and how she called me her friend, and always made me feel loved. She always made me feel comfortable, and I never felt self conscience about who I was back then when I first met her when I started working at Walmart way back in 1993, and who I am today. When I was around her I was simply her friend and she made me feel special because of that. She accepted and embraced everyone with her warmth, her humor, her smile and her heart. When we would text or email or instant message we always signed off with "I love you friend" then " I love you more" then it would be "Infinity" then " Infinity forever multiplied by Infinity" just silly little things like that....but I knew she meant it and so did / do I. (I LOVE YOU FRIEND....INFINITY!) ❤️
My deepest sympathy to Farrell and Gary and Randy. And to all whose lives she touched with her spirit of love.

“ Bobbie was such a joy to be around and always so positive even when having a 'bad' day at work. My boys miss seeing you everyday at work. Tyler asked why your picture was up at the service desk and I explained that you were now with our Heavenly Father and watching over us with the biggest smile on your face and the most infectious laughter. You will definitely be missed Bobbie! I just hope you know how much you were loved by all!

“ Farrell, Gary, Randy and family... I am so sorry for your/ our loss. Farrell, you gave Bobbie so much more time with us because of your deep love, the impeccable care and your devotion you gave to Bobbie. You are such a wonderful man and I am so proud to call you my brother!! Thank you!!

Oh Bobbie, how I miss your beautiful smile and sweet laughter! You have no idea of the love and happiness you brought into our family and to all those that were blessed to have met you! Although you married my brother, you are loved like a sister and daughter in every way in our family. Your leaving this physical world, has left such a void in our family....

Bobbie, you touched so many lives in so many, many ways without ever really thinking how your thoughtfulness, your kindness, your joy and happiness, your silliness, your funny sense of humor and wit, your sweet laughter, and your genuine, always smiling face brightened so many lives.... That you would leave such a legacy!! Such the "social butterfly" you were in this life. You "pollinated" all of those that were blessed to have crossed your path in this lifetime with moments of joy and laughter. You always found the best attributes in those you met along your way, often reminding them of those wonderful gifts and talents they were blessed with.

Bobbie, you were a very selfless beautiful soul that cared and loved deeply. Your unbridled heart knew no boundaries, no barriers. It was indiscriminate in every way! You never judged... you just accepted and loved!

You endeared yourself to so many, many people! If we were to learn anything by knowing who Bobbie Kelton was...., we should all strive to be more like her. That would be what she would want her legacy to be.... be kind, be thoughtful, be considerate, find the silver linings in life, be grateful, love unconditionally, focus on the best in others, be compassionate, be willing to give of yourself unconditionally in helping others, and lastly, think of her often and smile and be

"HAPPY"!!

Bobbie, you and mom are now together and together, you will both be watching over us. Knowing this, makes it a little easier on those of us left behind to mourn you. You will never be forgotten! With God's speed, fly! I love you, Darla
