“ *The memories I have with Tanya are so warm and always bring a smile to my heart.
She was my "work mom". Many times I turned to her for advice, in many different topics. She never had a harsh word to say, even on my worst days.
She always had love for others*

“ You were the most kindest. Giving. Big hearted. Loving. Ornerly woman I know. You were way more than my best friend. You were my soul sister. My family. My kids and grandkids thought of you as their grandma. I have so many memories that I will cherish. I love you

“ Such a wonderful soul. In my 40 years I learned so much from her. So much. So many memories just sitting at cafe usa, talking on the phone. My biggest supporter always. She was there for me when I gave birth to all my children. One of the best people in the entire world.

“ We ❤️ you so much Grandma. You are such an inspiration! You are such a strong beautiful woman! I will miss you dearly, but I know you are in a better place now with the lord and our other Angels. As you watch and guide over us through our futures. As you may not be here physically, you will always be watching over us from above and deep in our hearts. Thank you for the amazing 23 years together Grandma.

I may not have very many photos of you but I have plenty of memories to hold you by, with laughter, tears, and all. I love you ❤️
