“ *She was my Best friend in the world. My sister. My Family. Today is 4/02/2025 and not a soul tried to let me know that my best friend had passed away. I felt that something was wrong and have been trying to get a hold of her. I had to stumble across this. No one could ever replace her in my life and in my heart. I'm sorry Love that I wasn't there for you at the end, I'm so sorry.....*

“ *I still can't believe this has happened. You are so missed. I remember we use to sit and color for hours. Then we bake cookies and would sit and eat them almost all of them.*
