

Terry Allen Towry

June 9, 1955 - December 2, 2022

Terry Allen "Cap'n" Towry, Tulsa resident, died at his home on Friday, December 2, 2022 at the age of 67 years.

Terry was born to Gayle and Mary Lee Towry on June 9, 1955 in Tulsa, Oklahoma. He graduated from East Central High School in Tulsa and has lived in multiple places including California, but loved living at Grand Lake in Grove, Oklahoma. He had his own security systems company for several years, and worked for his family's real estate development business, the Towry Company.

His dogs lived arguably better than most people, as he loved them tremendously. He enjoyed boating and riding around in his Corvette or on one of his motorcycles and having fun with friends. Terry found joy in helping others and could always be depended upon by a friend in need.

Terry is preceded in death by his mother and father, Gayle and Mary Towry, and his beloved sister, Jackie Towry. He is survived by his daughter Heidi Mayer and son-in-law Zachary Mayer; grandchildren Hannah, Chyna, Laney, and Harrison; great-grandchildren Paxton, Holden, and Hendrix; brother Kenny Towry and sister-in-law Mistry Towry, nieces Taylor & Afton and nephew Christopher; stepsister Cristy Snellgroves, nieces Shasten & Callie, and great-nephew Ivar and great-niece Bryndis, as well as many loving

friends and caring neighbors.

A memorial service is scheduled for 3:00 pm on Friday, December 30th, 2022 at the Lewiston Apartments Clubhouse, 5270 S. Lewis Ave, Tulsa, OK.

“ Omg! Terry you were such a good friend to me. I appreciate all that we shared together. The good the bad and the talks we had. You were am awesome dude for real. I come looking for you like a year ago, but found out that you no longer lived at the Lewiston! It took me a couple of months but I finally searched for you online when I come upon this. I love you Terry!

“ My beloved Terry, your friendship has meant the world to me. What a fun and handsome man you've been. I just keep expecting you to pull up on your bike or come to Walgreens and spend my lunch break with me. No words can properly express how deeply I miss that. You have had a tough journey this year but you faced the cancer with courage. You waged battle like a warlord and often you were alone, sick and hurting but you would always bounce back, full of fun and pranks. You rocked like a superstar and shined like a shooting star! You put your bike on the front of the bus almost every day and went wherever your heart desired. A week before you passed you put a new banana seat on the bike because you had lost so much weight that it hurt to sit on the regular bike seat but you kept going. I treasure the hundreds and hundreds of texts and pictures of us. I revisit them every single day. Rest in peace, Honey! I will love you until the day I die. Love, Sheri
