“ Oh my goodness. I've just moved back to OK and saw this while trying to search for your telephone number. I'm so sorry Janet, Shannon and Butchie. I loved working beside Tommy at Brad's Auto Parts/Main st auto.

“ Tommy, my brother in law and my friend. I still remember you driving that 59 Chevy just cruising the school. I thought you were so cool!! Then when sister started dating you well that was amazing!!! You always had my back. Thank you for all the good memories and the bad cause they all go together. I even remember when I came over the back seat of that chevy to beat you up for being mean to sister but you just did that cute little chuckle like I was a silly kid. Wish you were still here like you were before the last six years but I know you were in pain because you were wheelchair bound. You will always be in my heart as that 20 yr, old driving your brother Freddie's 59 Chevy being cool. Till we meet again!!! Love goes with you!!

“ Tommy will be greatly missed. He always made me feel welcomed around his family. My favorite memory of Tommy was cooking me fried eggs and always trying to give me good advice about life. He was a very special man. I will never forget Tommy listening to "Conway" or "George" and just loving life with his family. I will keep Janet, Charles (Butchie), Shannon, Tommy Dale, and the rest of the family in my prayers. Heaven gained another Angel. Rip Tommy. Love Always, Shelly Cook. 💙💔
