

## Timothy Scott Frieze

October 15, 1957 - March 18, 2024

Timothy Scott Frieze peacefully passed on March 18, 2024, at the age of 66 following a brief battle with cancer. He was born in 1957 in Wichita, Kansas to Mary and Gordon Frieze. He graduated from Claremore High School in 1975 and attended Oklahoma State University for a short time before moving back to Wichita.

Tim loved music. He sang and played guitar starting at a young age and was always involved in plays and musicals growing up living in California. As a young adult he continued his journey in entertainment as lead singer and guitarist for the band Fantasy, in Wichita.

Tim began his 30+ year career with Boeing/Spirit Aerosystems in Wichita, before moving back to Tulsa in the late 90s. He was exceptional at his job and had the opportunity to work with some wonderful people in his department, cherishing the friendships he made.

He wore many hats through his life, including entrepreneur owning his own businesses, JT Etc. and River City Performing Arts Network. He truly loved being able to share his artistic abilities with those that surrounded him. He loved photography and enjoyed taking photographs for family celebrations and community events.

Stubborn until the end, everything was on his terms. His children, niece Chelsea and nephew Ryan are making sure that his final wishes are met.

He is preceded in death by his parents Gordon Frieze, Mary and Bill Watson, and sister Kim France.

He is survived by brothers Bill Frieze (Tammy) and Chris Watson (Ella), sister Faye Watson, son Joshua Frieze (Chrissy), daughters Nikki Sells (Jeff) and Kelsey Rawson (Eron), granddaughters Isabella Frieze, Kayla and Rylee Rawson, Abigail and Claire Sells, and grandsons Charlie and Roman Frieze, and Elijah Sells, along with numerous nieces and nephews.

In lieu of flowers, donations can be sent to Compassus Hospice.

“ Just heard about this sad news. I truly enjoyed working with Tim for several years at Spirit before I retired extra early. After the few times we butted heads, I told him he had to have been my 2 year older brother in another life. I had a lot of respect for his meticulous work ethic, and believe it was mutual. Just so sorry he didn't get to have his retirement time with his grand children he was so proud of and shared often. RIP big brother.

“ This is such a shock. In addition to working with him in Wichita, I spent many hours at the Tulsa facility working with Tim and his team during the SAP implementation. While the task at hand was certainly a challenge, Tim's involvement ensured there was never a dull moment! So many laughs along the way. And, according to Tim, Wheaties are not the breakfast of champions.....it is cheesecake! Rest in peace friend. You will be missed.

“ A longtime friend of both me and my wife. Loved to hear his laugh and see the twinkle of his eye and onery smile.  
Praying for the hearts of the family to be comforted. Healed completely and in the arms of Christ.
