

Timothy Edward Hubbard

August 15, 1946 - April 5, 2025

Tim spent most of his life in Tulsa. He attended the Wright and Edison Schools before UCLA. He worked for various Retail Stores and Hotels and Motels for many years. Tim took care of his Mother, Thelma Freeman Hubbard, who preceded him in death in 1991.

Tim was known as a kind, compassionate Man, always showing consideration and courtesy for others. Tim also was concerned for stray animals that frequented his home, more than once getting vet care for them as well as ongoing feeding. He loved Classic Movies and Television, Classical Music and Jazz, and bargain hunting. Many a day he could be found at estate sales, and antique and thrift stores.

Tim will be greatly missed, especially his great humor, as well as his concern for his friends. We've lost one that's irreplaceable. He will live on in fondest memories.

"Choose ye this day whom ye will serve; As for me and my house, we will serve the LORD" Joshua 24:15
