“ My son Timothy is missed very much. He was a gift from God and helper in many ways and times. Early in his life as an infant was deathly sick. God spared him for the purpose he had for him in his life. He has called him home for his eternal rest. Now we have precious memories in our hearts. I pray that we will carry on to share the love he invested in the lives of others. As God wills to serve the purpose well He has given us in our lives. He gives us talents as he did for Timothy. May we use them in love respectfully.
