“ *Toe was always about the kiddos. This is him with my 3rd child, Jordyn. He made jokes that he was gonna grow up and me my little martial arts child like his dad.. and just like his Dad he's gonna get beat by a Toejeanco. Then at that moment he made Jordyn's fist hit him in his mouth. Today Jordyn is 13yrs old and is a master of nunchucks, studying Crane style kung fu and learning the 3 sectional staff. I guess uncle Tj was right.*
