“ You was a wonderful grandpa to your grandchildren. My son (your great grandson) loved you more than anything. You always told me you would find me any animal I wanted to be on your farm. Your house was my favorite getaway place every summer. We all miss and love you so much grandpa Max. Thank you for being and trying your best!

Love your granddaughter,
Ayla Neal

“ Papa Max was an amazing man. He always had a kiss for you when you showed up an when you left. I will miss sitting on the swings on his front porch shooting the breeze an him laughing at me cause I always ran off an had to go play with Casper an Hollywood. He was the animal whisper to me.

I have so many memories. Alyssa going out to the chicken house an getting the eggs when she was little. Me going out, scared to death of chickens an grabbing an egg an it was wood. I was so perplexed an he laughed so hard an told me why there was a wooden one in there.....too many memories to share. I loved him dearly an he will always be in my heart.

I am so sorry for your loss Mike, Anita, and Betty. I will be praying for you all.
