## Biography

On the sunrise of July 8, 1930 in Hoffman Oklahoma a precious star was born. This precious star was named Wanda Barnes. On the sunset of September 28, 2011 her journey ended and the celebration of her homecoming began with the Lord. He called her home to be with Him, her spot in Heaven was waiting for her. Wanda was a very loving, caring and giving person. She loved her family very much and also enjoyed many things in life. She loved to just sit on the front porch and talk and make sun tea in the summertime. Wanda also loved to cook and sit down with family and eat soul food. For many years Wanda worked as a domestic engineer. She met many people over the years and also brightened up their lives as well. Wanda leaves behind to cherish her beloved husband Willie Barnes; her two wonderful children, Sharri Barnes and Terry Barnes; a Son-in-law and also a Daughter-in-law; Three younger sisters, Zetta Burkhalter, Susie Greenleaf and Wanda Jean Phifer; Six grandchildren and fourteen great grandchildren and other relatives and friends. 81 years of touching People's lives God told her to say Her last good-byes Good-bye for now, and if you Live right I will see you in the sky Good-bye The Barnes family would like to thank you for all of your help and prayers. And we very much appreciate the love that you have given and special attention, Sojourn Hospice and Green
