“ We have known Bill since he was six years old. He moved to Oklahoma more than 20 years ago. We have had many vacations together in Las Vegas, Maine and Florida. He invited me and I went on the road with him for a week when he was an over the road truck driver. He was a wonderful friend and we will miss him.

“ Where do I begin. I have too many memories with Bill! We went on countless trips and always had a blast! Bill treated my kids, Isabelle and Chris like they were his own. He actually told everyone they were when we went on trips. They loved him dearly. Bill, you will be missed! I love you and will see you in the next life ❤️

“ My sincere condolences to you Janna. I have many fond memories of you all at your home in Taunton. Bill was always the comedian of the group. I remember we were probably 12 or 13 at a bbq at my house and Billy was trying to tell my dad how to run the bbq grill. 🍷. They hit it off instantly. May he rest in peace 🙏

“ Billy and I go way back such a pleasure watching him make his mark in the world. I helped him with his cdl license and the next thing I knew he was gone over the road. He had no fear taking on new adventures.He never forgot where he came from and always stayed in touch .Always more concerned about others than himself. Sadly gone before his time he will be missed. I only knew Billy for about 5 yes, we met in Florida, I have to say that he was the kindest person I have ever known. We had many golf cart rides singing along to his music, such a fun loving guy. I will miss hearing him say "it's the New Hampshire girl". Rest in peace Billy. 🙏❤️
