“ William was MY GUY. We instantly clicked when we met at DIRECTV and made some great memories outside of work. He was my "baby daddy" as he would say LOL he really took good care of FEEDING me while pregnant with my first child 😊 Throughout the years we kind of lost touch but checked in on FB. Life is too short. Wish we had linked back up again.
William, I love you and I'll miss you friend. Until we meet again.
